The Horseless Horsemen, Book 1: Jude

Ross C Miller

The Horseless Horsemen, Book 1: Jude Ross C Miller

5 Stars! Like nothing I've ever read. Both this book and the hero of this story are unlike any I've ever encountered. This dark tale is refreshingly different and masterfully woven by the author. I look forward to reading the sequel! - Stacy Shofner-Williams (Author, Of Shadows & Ash)

5 Stars! Do not pick up this book thinking that you will take your time reading it. It is so engaging that you will not be able to put it down. RC Miller creates in Jude a character you will never forget. There is good and bad in this potential super hero, who is less a hero and more a victim, a human who has very little in common with most humans. What he does have is a soul and a mission. Although it is a bit dark, I recommend it to anyone who has the stomach for a good tale. - ReadersFavorite

He went into the bathroom, up to one of the dirty sinks, and looked into the mirror, about to ask himself a question. He turned away quickly and barked a soundless epithet. He grabbed the sides of the sink for balance.

... oh, God!

He looked up slowly.

The thing in the mirror hadn't changed.

It hadn't gone away.

The ... thing.

It had to be himself. It was a mirror.

He looked away again. He wasn't sure if he wanted to run or puke.

... it can't be. that can't be me.

His body quaked with fear. ...with revulsion. ...with confusion.

His mind wanted to do a merry jig.

... no. there lies madness. Think!

It took a few minutes before he was able to look up at himself again. He moved to the next sink over. ...as if a different mirror would show him something different. ...something closer to reality.

It didn't.
