**Am I Crazy??? Searching for God in All the Wrong Vaginas!!!** CrazyMan Philip di Franco

This is my story of how I went from a nice Catholic boy trained by The Dear Nuns, The Heavenly Fathers and The Jesuits, and escaped the painful SEXUAL repression, suppression and oppression of my Catholic education in a middle-class, Bronx, ethnic, Italian-American, gang-infested neighborhood through my love of pussy and sex with women!!!

My story runs from my first kiss at age 12 to my first make-out at age 16, my first experience with a girl's pussy, including my first taste and smell and ultimate addiction to pussy, and then my crazy adventures of sex with insane women (and men) up to my two wives and the ultimate experience of finding God in an amazing and totally unexpected experience of sex with a woman who I did not know at all, whose I did not know, and who I never even saw because this experience took place at "Darkness at Midnight"!!!

This unexpected ten-second amazing experience unbelievably saved my life and proved to me that God exists!!!

My addiction to pussy and sex drove me to total craziness and I also discovered that we are all crazy -- in our own unique and special way!!!
