These essays by leading Latino/a theologians, both Protestant and Catholic, represent an exciting new stage in the development of Latino/a theological identity, while also making an important contribution to the wider cause of ecumenical dialogue. As Orlando Espin observes, "No ecumenical relation or dialogue today in the United States can be truly reflective of our respective churches unless Latinos/as (and their faith and their lives) are acknowledged as indispensable and equal conversation partners." Among the themes discussed in this dialogue: God, the Holy Spirit, Mary, the Bible and Tradition, Grace and Justification, and Ecclesiology. Contributors:
