We think of the star of Bethlehem – the star that the wise men followed so patiently and so hopefully and so faithfully – as a phenomenon in the heavens, and so it was. But the star in the heavens was not the only star or the most important star. The wise men had a star within that enabled them to see the star without.

Bestselling author Chieko Okazaki sheds new light on the familiar Christmas story in her insightful new book, *Stars*. In her warm and distinctive style, she shares stories, scriptures, and personal memories of Christmas to testify of her deep feelings about Jesus Christ, the babe of Bethlehem who was born under a shining star. "Christ waits to be born anew in our hearts," she testifies. "His star is in the heavens. Wise men and women seek him still."

Let a star guide you this Christmas season.
