Home...

The stunning glacial peaks of Patagonia seem the perfect place for Dr. Rowena Thompson to heal her fragile emotions. When she meets consultant Luke MacKenzie she learns that hers isn't the only heart in need of help.

Is where the heart is...

Their journey is full of saving lives and challenging emotions, and through it they find a love that neither has experienced before—a love that is tested when Rowena faces a life-changing diagnosis that is familiar to them both. Only if they confront their fears can they face anything, anywhere, as long as they are together.
