American Radio Networks: A History

Jim Cox

American Radio Networks: A History Jim Cox

This book is a history of commercial broadcast radio networks in the United States from the 1920s to the present. It covers the four transcontinental webs that operated during the pre-television Golden Age, plus local and regional hookups, and the developments that have occurred in the decades since, including the impact of television, rise of the disc jockey, the rise of talk radio and other specialized formats, implications of satellite technology and consolidation of networks and local stations.
