Bushido: The Soul of Japan

Inazo Nitobe

Bushido: The Soul of Japan Inazo Nitobe

A study of the way of the samurai. A best-seller in its day, it was read by many influential foreigners, among them President Theodore Roosevelt, President John F. Kennedy and Robert Baden-Powell. It may well have shaped Baden-Powell's ideas on the Boy Scout movement he founded.

The book was not translated into Japanese until it had been popular in the English-speaking world for several years.

As Japan underwent deep transformations of its traditional lifestyle while becoming a modern nation, Nitobe engaged in an inquiry into the ethos of his nation, and the result of his meditations was this seminal work.
