**Cielo e Ferro (Italian Edition)** Paolo Frusca, Italo Bonera

Nove racconti per un affresco buio e opprimente, nove pennellate per dipingere la storia di uno spaventoso movimento di massa, collettore di tutti i fondamentalismi del mondo, non importa di quale natura. Non solo fantascienza, ne' noir o thriller nelle storie che si svolgono sul drammatico sfondo del conflitto tra Coordinamento delle Libere Città e provincia profonda della Nazione di Avraham, entità speculari e antitetiche nelle quali Bene e Male non si distinguono. Come non si distingue, quasi mai, il confine invisibile fra un eroe e una canaglia. Assistete a uno dei più crudeli conflitti che l'umanità abbia mai affrontato, e scoprite quale terribile prezzo essa ha pagato.
