Edgar Borges

Vínculos. Apuntes con Rubén Blades (Spanish Edition) Edgar Borges

Edgar Borges invita al cantautor Rubén Blades a realizar un viaje por la memoria para celebrar la vida. Literatura y música son los motivos para que ambos creadores intercambien correos, encuentros y recorridos. En cada palabra, como en cada canción, surgen calles y vivencias que hablan de todos. Vínculos en lugar de comunicarnos con la palabra nos comunica con la piel.

Edgar Borges viaja a la ventana de su niñez para revelar su descubrimiento de la música de Rubén Blades. En paralelo, como si sus relatos fuesen los nuestros, el cantautor panameño rememora sus antecedentes pero también expone su perspectiva sobre los más variados temas. Vínculos es un libro que salta de un correo a una esquina, de un encuentro a una avenida y de una entrevista a un puente.

Dos voces (muchas voces) danzan con sus testimonios. La familia, la mujer, Gabriel García Márquez, Cheo Feliciano, América Latina, el mundo, la madre tierra; siempre un olor nos regresa a la habitación de nuestra infancia. Tiene esta obra la pasión de un joven que desea ser cantante y los sueños de un niño que imagina historias con las canciones de su ídolo. Vínculos, tanto en su lado festivo como trágico, nos muestra las respuestas de los amigos.
