**Garden City: Work, Rest, and the Art of Being Human.** John Mark Comer

You've heard people say "Who you are matters more than what you do". Does the Bible really teach that?

In *Garden City*, popular pastor and speaker John Mark Comer gives a fresh take on our calling and our purpose, with a surprisingly counter-culture take. Through his creative and conversational style, Comer takes a good look at Genesis and the story of a man, a woman, and a garden. He unpacks God's creation and his original intent for how we are meant to spend our time. Here, you'll find answers to questions like "Does God care where I work?" "What about what I do with my free time or how much rest I get?" "Does he have a clear direction for me?"

Practical and theologically rich, *Garden City* speaks to twenty and thirty-somethings who are figuring out next steps and direction in their lives.

*Garden City* is the *Purpose Driven Life* for the next generation—the book that helps us answer why we are here and what should we do about it.
