Incidental Music

Lydia Perovi?

Incidental Music Lydia Perovi?

Incidental Music visits the troubled and fascinating period of the Hungarian Revolution, within its larger context of the Communist post-war years in Eastern Europe, explores Toronto's heritage and urban development, takes a sober outsider view of Canadian society and politics, and last, but not least, revels in the beauty of the opera—all through the tumultuous and passionate love affairs of its main characters. The lives of the three protagonists overlap, but there is never any unison. Petra, Martha and Romola are like the three operatic voices—soprano, mezzo and alto—that sometimes pair up their melodic lines but never sing in complete accord.
