Mnemonics is an age-old device for remembering names, numbers, and many other things. As in the authors' previous *Memory Books*, the *Intermediate Spanish Memory Book* makes use of this reliable memory help in a series of mnemonic jingles that are by turns playful, sardonic, touching, and heroic to help both students and independent learners acquire and remember Spanish vocabulary. The 500-plus words in this book represent a more advanced vocabulary than those in the *Spanish Memory Book* (1990) and the *Spanish Memory Book, Junior Edition* (1993).

The mnemonic jingles present both the sound of the Spanish word (indicated by syllables in italic type) and its English meaning (given by a word or phrase in boldface type):

**merienda: picnic,
afternoon tea**

Mary, end a boring picnic.

Just say, "I'm going home. I'm sick, Nick."

This innovative approach to vocabulary building is simple, effective, and entertaining.
