*American lass seeks brawny Scot...*

As if being newly single isn't brutal enough, Sloane Chatfield's friends are getting obnoxious about setting her up. When Sloane insists she's waiting for a certain sexy fictional Highlander to come along, her friends surprise her with a trip to Scotland to find her a new boyfriend. She'd rather have a root canal. But if she can find a Highland hunk to "break her heart" before her friends arrive...

In a remote Highland village, Galen Buchanan is struggling to keep the family pub afloat. Everything is falling apart, he's running out of money, and now there's an opinionated American lass parked at his best table, driving him mad. But then Sloane asks Galen to be her pretend Highland boyfriend...and offers him enough money to save the pub. It's only for a few days, he figures. What's the worst that could happen?
