When Did I See You Hungry?

When Did I See You Hungry?

This book is about poverty and our responsibility to help those who are forced to live on the margins of society. The photographs in this book depict real people—suffering souls whose lives are spent in the harshly cruel prison of poverty. To look into their eyes, eyes that are profoundly human and tragically sad, compels the observer to want to do something to relieve the pain, to end the misery. — From the Introduction

"Gerry Straub is a modern-day Francis, jolting us into the truth by the power of images." — Giacomo Bini, O.F.M., Minister General of the Order of Friars Minor

Drawn by the values and example of Francis of Assisi, filmmaker and author Gerard Straub spent months living among the poor of San Francisco, Los Angeles, Detroit, Toronto, Rome, Nairobi, Brazil, India, the Philippines and Jamaica. "Armed only with a pen and a 35-mm camera," he listened to their stories, photographing the men, women and children who live desperate lives of poverty and hunger.

When Did I See You Hungry? is a powerful exploration of the desperation and squalor that is the plight of the poor.
