Alpine Ballad

Vasil Bykau

Alpine Ballad Vasil Bykau

A handful of families, several generations, more than a few wars. Moscow Towards the end of World War II, a Belarusian soldier and an Italian girl escape from a Nazi concentration camp. The soldier wonders if he should get rid of the girl; she is a burden and is slowing him down. However, he cannot bring himself to abandon her in the snowy wilderness. Somewhere along the way, the two develop feelings for each other, but their love is not destined to grow beyond the edge of the mountains. Yet their bond cannot be denied, and in the end it proves stronger than death itself.

From the master of psychological narrative whose firsthand experience with World War II enabled him to recreate the ordeal on pages of his books, *Alpine Ballad* is Vasil Bykau's most heartfelt story. Bykau sends a powerful message to his readers: human values can be extrapolated and in the context of war people can still uphold their humanity.

An altruistic, philanthropic project of Glagoslav Publications, *Alpine Ballad* is coming out as a gesture of peace and a reminder to all of the human cost of wars that ransack our planet to this day.

Translated from Belarusian by Mikalai Khilo. The previous translations of *Alpine Ballad* were based on the Soviet-censored Russian version of the original manuscript. Now, Kabul, Barcelona. Anna Nemzer announces herself on the literary scene boldly and loudly with this debut novel about the insane, unspeakable nature of war, about human fears, treachery, lies, fateful coincidences and destinies during warfare, when there is no room left for love.

The protagonists survived the war and are rescued from captivity. They are not able, however, to leave the experiences of the war behind them and move on with their lives. The novel explores what happens once the conflict is over, as they learn to live without the war, with all their loves, passions and weaknesses.
