I've battled the Reapers of Chaos before--and survived. But this time I have a Bad, Bad Feeling it's going to be a fight to the death. . .most likely mine.

Yeah, I've got my psychometry magic, my talking sword, Vic, and even the most dangerous Spartan on campus at my side in Logan freaking Quinn, but I'm no match for Loki, the evil Norse god of chaos. I may be Nike's Champion, but at heart, I'm still just Gwen Frost, that weird Gypsy girl everyone at school loves to gossip about.

Then someone I love is put in more danger than ever before, and something inside me snaps. This time, Loki and his Reapers are going down for good . . . or I am.

Praise for the international bestselling Mythos Academy series
