Let sleeping bears lie.

When an unlikely visitor brings Reverend Renner a cryptic warning that, “The bear is waking up,” he must once again partner with retired investigator Dale Quist in order to quiet the supernatural forces suddenly threatening their peaceful corner of northern Michigan.

Faced with sudden earthquakes, a toxic fog, a bloodthirsty inhuman creature and two very frightened teenage runaways, Renner and Quist discover their adversaries care nothing for their concern, or their logic. They will also learn that the best of intentions and the best-laid plans are no guarantee of success.
