The Consultant's Surprise Child Joanna Neil

Dr. Allison Matthews hasn't seen Taylor Briscoe since their one tender night together five years ago. Knowing her heart was in danger she left, believing this bachelor doctor would never settle down. But now she discovers that Taylor is the new consultant—and her new boss!

Taylor has always thought of Allison as a woman he could have fallen in love with—if only she'd stayed long enough to let him. Now it all seems too late—she's moved on and had a child of her own. Except he doesn't realize that he is the father of their son...

From reader reviews:

Shawn Midkiff:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is from the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take The Consultant's Surprise Child as the daily resource information.

Edward Carter:

Reading a guide can be one of a lot of exercise that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new information. When you read a guide you will get new information since book is one of several ways to share the information or perhaps their idea. Second, reading a book will make you actually more imaginative. When you looking at a book especially tale fantasy book the author will bring someone to imagine the story how the character types do it anything. Third, you may share your knowledge to other people. When you read this The Consultant's Surprise Child, you can tells your family, friends as well as soon about yours reserve. Your knowledge can inspire average, make them reading a reserve.

Charles Buffington:

The actual book The Consultant's Surprise Child has a lot details on it. So when you make sure to read this book you can get a lot of gain. The book was authored by the very famous author. Tom makes some research just before write this book. That book very easy to read you may get the point easily after looking over this book.

Annie Fowler:

Many people spending their time period by playing outside along with friends, fun activity together with family or just watching TV all day every day. You can have new activity to pay your whole day by reading through a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Touch screen phone. Like The Consultant's Surprise Child which is getting the e-book version. So , why not try out this book? Let's see.
