The Economy of Light

Jack Dann

The Economy of Light Jack Dann

This is the story of a Nazi hunter's journey to find the man who tortured him and murdered his family, as he penetrates the depths of the Amazon jungle to experience an extraordinary "dream time." Michael Swanwick called this gripping novel a "dark quest into the heart of dreams." It is a magnificent depiction of a modern descent into hell...and the frightening--and profoundly surprising--consequences of redemption.
