Arguing with Angels: Enochian Magic and Modern Occulture (SUNY series in Western Esoteric Traditions) Egil Asprem

An exploration of John Dee's Enochian magic of angel contact, its reinterpretation over the years, and its endurance to the present day.

This fascinating work explores John Dee's Enochian magic and the history of its reception. Dee (1527–1608/9), an accomplished natural philosopher and member of Queen Elizabeth I's court, was also an esoteric researcher whose diaries detail years of conversations with angels achieved with the aid of crystal-gazer Edward Kelley. His Enochian magic offers a method for contacting angels and demons based on secrets found in the apocryphal Book of Enoch.

Examining this magical system from its Renaissance origins to present day occultism, Egil Asprem shows how the reception of Dee's magic is replete with struggles to construct and negotiate authoritative interpretational frameworks for doing magic. *Arguing with Angels* offers a novel, nuanced approach to questions about how ritual magic has survived the advent of modernity and demonstrates the ways in which modern culture has recreated magical discourse.

Egil Asprem is a Research Fellow at the Center for History of Hermetic Philosophy and Related Currents at the University of Amsterdam, the Netherlands.
