## **Core Values: Serving Christ's Cause with Effectiveness and Excellence** George O. Wood

Soon after he was elected general superintendent of the Assemblies of God, Dr. George Wood identified five core values that would determine the priorities of his administration. In acting upon these values, his desire is to build bridges-especially to nonbelievers, people of diverse cultures and younger generations. Dr. Wood clearly articulates his respect and love for his Pentecostal heritage. With a correlative enthusiasm he seeks to pass on to succeeding generations the truths, values and commitment that compelled our Pentecostal forefathers. He emphasizes them with a fresh expression and focus, presenting some new approaches to advancing our historic mission-the mission that the Holy Spirit led our early leaders to begin more than 90 years ago. Dr. Wood's path in life has uniquely prepared him for his present responsibility. The convictions that underlie these values were formed in his mind and heart over several decades of ministry. They reflect the DNA of the Fellowship and set our course in following what matters most to our Lord-serving His cause with effectiveness and excellence.
