One False Move Alex Kava

Melanie Starks and her seventeen-year-old son, Charlie, have been running one con job or another for as long as she can remember. Worried about Charlie, though, Melanie is ready to start over. Then her brother, Jared, reappears in her life.

Released on a technicality, Jared Barnett is just out of prison and feeling more invincible than ever. He has the perfect plan to rob a local Nebraska bank, but he needs Melanie's and Charlie's help. Feeling that she owes the brother who saved her from an unspeakably violent childhood, Melanie agrees to Jared's plan.

But within seconds, shots are fired and Jared and Charlie run out of the bank. They are empty-handed and four people are dead. When they refuse to tell her what happened in those few desperate moments, Melanie realizes her brother and son have formed a silent bond. And now they are all on the run from the police, taking a hostage with them and willing to do anything to survive.
