Have you seen an otter at play in the water? It's long and it's trim and it knows how to swim. It rolls and it spins. It twists and it grins. What if one day that otter jumps out of the water? Would you ask him to play? What if that otter follows you home? Would he bounce on the chairs? Would he skid down the stairs? The author-illustrator team who created *Scare a Bear* and *Moose on the Loose* will once again have readers laughing and guessing. This time the hilarity involves an otter out of water!
