The Lieutenant

Andre Dubus

The Lieutenant Andre Dubus

Andre Dubus's controversial debut: A revealing novel of men at war—with themselves

At sea aboard a Navy aircraft carrier, Lieutenant Daniel Tierney finds himself in direct command of his Marine Corps detachment for the first time. Soon, a minor infraction committed by promising young PFC Ted Freeman has expanded into a thorough investigation of initiation rituals and homosexual activity on the ship. Torn between his desire to protect Freeman and his obligation to safeguard the Marines' reputation, Tierney must come to terms with the diminishment of his faith in a system he had once idealized.

Dubus's sole novel, *The Lieutenant* exposes the culture and politics of the United States military at the start of the Vietnam War, and reveals the common insecurities of the men whose lives were defined in its bounds.

This ebook features an illustrated biography of Andre Dubus including rare photos and never-before-seen documents from the author's estate.

From reader reviews:

Patrick Adkins:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, the particular best subject for that? Just you can be answered for that question above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great and important the book The Lieutenant. All type of book is it possible to see on many sources. You can look for the internet solutions or other social media.

Virginia Swain:

The reason? Because this The Lieutenant is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

Hazel Park:

Would you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't assess book by its deal with may doesn't work is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer might be The Lieutenant why because the amazing cover that make you consider concerning the content will not disappoint anyone. The inside or content is fantastic as the outside as well as cover. Your reading sixth sense will directly guide you to pick up this book.

Dorothy Betancourt:

E-book is one of source of know-how. We can add our knowledge from it. Not only for students but also native or citizen will need book to know the update information of year in order to year. As we know those books have many advantages. Beside most of us add our knowledge, also can bring us to around the world. By book The Lieutenant we can get more advantage. Don't that you be creative people? To become creative person must like to read a book. Merely choose the best book that acceptable with your aim. Don't possibly be doubt to change your life by this book The Lieutenant. You can more desirable than now.
