I Live with You Carol Emshwiller

A sophisticated collection of fierce, tender fiction marked by absurdist humor, these striking short stories skillfully explore themes of war, seduction, and censorship. An Eden emerges from the wreckage and destruction of burning books in "The Library." "Boys" sets a weary general and his sons against a village of determined mothers, and "I Live with You" brings a chaos from an uninvited guest. Filled with originality and lyricism, this collection is a must for science fiction and adventure fans.
