**The Autobiography of Vivian** Sherrie Krantz

**Meet Vivian . . .**

*A small-town girl who conquers the Big City on her own terms . . . a sucker for happy endings with an attraction to all things fattening—and a personality that oddly gets her in (and out of) trouble at lightning speed. This is her story . . . and perhaps a little of yours, too.*

True, Vivian Livingston has the gig of a lifetime, starring 24/7 as the heroine of [www.Vivianlives.com](http://www.Vivianlives.com), a kind of “girls rule” Web site. But it wasn’t always that way. So rewind, back to the traditionally traumatic last semester of college, when Vivian, feeling the need for drastic change, randomly enters a songwriting contest and, to everyone’s surprise, actually wins. The prize—an incredible weekend getaway to the capital of the universe: New York City.

One amazing weekend getaway later, without a real “life” plan and weeks away from graduation, she and her best friend Sophie make the obvious decision . . . *NYC here we come!* But the moment Vivian and Sophie set foot in their new apartment—a raw, hand-me-down, fourth-floor walk-up studio—they know that life in the Big Apple is going to be anything but easy. Lacking both dough and direction, Vivian has a rough time with the transition. Even worse, Sophie seems to have found a soul mate—and has left Vivian behind. But Vivian is determined to make her world work, despite a few challenging bumps in the road. Rather than ship out, things begin to shape up, as Vivian not only gets the (virtual) keys to the city, but most important, discovers the keys to her own heart.

*From the Trade Paperback edition.*
