Cycling in the French Alps (Cicerone Guides)

Paul Henderson

Cycling in the French Alps (Cicerone Guides) Paul Henderson

A guidebook describes nine challenging yet picturesque cycle tours in the French Alps - eight circuits of roughly one week, plus the two-week 'Grand Traverse' from Geneva to Nice. The classic high passes of the French Alps are included, the routes covered are Tours of the Ain, Chablais-Aravis, Mont Blanc, Chartreuse-Bauges, Belledonne, Ecrins-Grandes Rousses, Southern pre-Alps including Mont Ventoux and the Grand Traverse of the French Alps. The cycle tours are divided into day stages - generally 50-80km per day, with an average of 1000-1500m height gain. Although all the tours are in mountain areas, the scenery - from the rolling hills of the Bugey to the dramatic limestone gorges of the Chartreuse or the snowy peaks of the Ecrins - is extremely varied. The route is outlined for each day stage, together with profiles and a list of facilities and services.

From reader reviews:

Nancy Hedrick:

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the books. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this Cycling in the French Alps (Cicerone Guides).

William Holmes:

Your reading 6th sense will not betray a person, why because this Cycling in the French Alps (Cicerone Guides) e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written inside good manner for you, still dripping wet every ideas and writing skill only for eliminate your own hunger then you still skepticism Cycling in the French Alps (Cicerone Guides) as good book not just by the cover but also by content. This is one publication that can break don't judge book by its protect, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your studying sixth sense already said so why you have to listening to another sixth sense.

Pedro Lewis:

This Cycling in the French Alps (Cicerone Guides) is completely new way for you who has attention to look for some information since it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know or else you who still having bit of digest in reading this Cycling in the French Alps (Cicerone Guides) can be the light food for you because the information inside that book is easy to get simply by anyone. These books acquire itself in the form which is reachable by anyone, that's why I mean in the e-book web form. People who think that in publication form make them feel sleepy even dizzy this guide is the answer. So there is no in reading a book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book sort for your better life and also knowledge.

James Coles:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is published or printed or outlined from each source which filled update of news. In this modern era like now, many ways to get information are available for you actually. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just in search

of the Cycling in the French Alps (Cicerone Guides) when you required it?
