**Masters of Seduction (2 Book Series)** Alexandra Hawkins

## **From Book 1:**

In the last opulent days of the eighteenth century, a friendly wager turns into a heated feud that spans decades...and a love affair like none other.

### **What does it take to tempt a lady...**

London, 1792. The Duke of Blackburn and the Marquess of Norgrave are boyhood friends who will still compete at anything. Racing, drinking, gambling, even seduction-until Lady Imogene Sunter crosses their path. Achingly beautiful, and innocent, she has no understanding of the jaded gentlemen who are courting her for favors-of how far they are willing to go to get what they want...

### **In this game of seduce and destroy?**

Fighting for Imogene's affection should have been no more than their usual spirited rivalry. But when Blackburn discovers his feelings for Imogene have deepened, all bets are off. Norgrave, driven by his own demons, won't forsake his pride-and with one shocking act of betrayal that threatens Imogene and Blackburn's newfound desire, Norgrave will set the course for a generation of Regency bad boys who will go down in history as the Masters of Seduction...in *A Duke But No Gentleman* by Alexandra Hawkins.
