Youth Ministry in the 21st Century (Youth, Family, and Culture): Five Views Greg Stier

There are many philosophies and strategies that drive today's youth ministry. To most people, they are variations on a single goal: to make faithful disciples of young people. However, digging deeper into various programs, books, and concepts reveals substantive differences among approaches.

Bestselling author Chap Clark is one of the leading voices in youth ministry today. In this multiview work, he brings together a diverse group of leaders to present major views on youth ministry. Chapters are written in essay/response fashion by Fernando Arzola Jr., Greg Stier, Ron Hunter Jr., Brian Cosby, and Chap Clark. As the contributors present their views and respond to each of the other views, they discuss their task and calling, giving readers the resources they need to develop their own approach to youth ministry. Offering a model of critical thinking and respectful dialogue, this volume provides a balanced, irenic approach to a topic with which every church wrestles.
