Drupal 7 Themes Ric Shreves

Filled with practical examples, this book helps you to understand the logic behind the theming system employed in Drupal, and how to make it work for you. You will learn key concepts and work through examples with careful, step-by-step instructions. The main requirements to make use of this book are knowledge of HTML, CSS, and a touch of creativity. You don't need to know anything about theming in Drupal; all you need is basic experience of working with Drupal. Although this book aims to make Drupal theming accessible to designers, theming in Drupal 7 involves writing some PHP code, and a basic knowledge of PHP will be helpful. Regardless of your technical skills, this book will teach you to design themes for your Drupal websites quickly and easily.
