Octavio Paz. Las palabras en libertad (Spanish Edition)

Guadalupe Nettel

Octavio Paz. Las palabras en libertad (Spanish Edition) Guadalupe Nettel

En el centenario del nacimiento de Octavio Paz, un lúcido ensayo sobre la vida y obra del premio Nobel mexicano.

Octavio Paz sigue definiendo el panorama de las letras y las ideas en México, a cien años de su nacimiento.

Octavio Paz. Las palabras en libertad recorre el itinerario intelectual y biográfico de uno de los pensadores más importantes del siglo pasado y uno de los poetas hispanoamericanos más destacados de todos los tiempos. Escritor, diplomático, editor e intelectual público.

La libertad siempre fue una de las preocupaciones centrales del poeta. Para él, además de un concepto filosófico y político se trata de un acto que debe ejercitarse constantemente. El recorrido que propone Guadalupe Nettel tiene por brújula la evolución de la idea de libertad en la obra de Octavio Paz a lo largo de cuatro periodos: sus comienzos literarios en nuestro país y el viaje a España durante la guerra civil; París y su relación con los surrealistas y la izquierda no alineada, su larga estancia en Oriente, y por último el regreso definitivo a México. A través de este itinerario, el libro revisa la relación entre la vida y la obra de Paz; entre poesía y política, creación y crítica. También analiza su condición como figura pública y su polémico acercamiento con el gobierno mexicano en los años finales de su vida. Pues no basta con decir que la obra de Octavio Paz es un producto del siglo XX mexicano, de la tradición y de la modernidad; hay que añadir que el siglo XX mexicano, la tradición y la modernidad también son productos de esa obra.
