Place: An Introduction

Tim Cresswell

Place: An Introduction Tim Cresswell

Thoroughly revised and updated, this text introduces students of human geography and allied disciplines to the fundamental concept of place, combining discussion about everyday uses of the term with the complex theoretical debates that have grown up around it.

- A thoroughly revised and updated edition of this highly successful short introduction to place
- Features a new chapter on the use of place in non-geographical arenas, such as in ecological theory, art theory and practice, philosophy, and social theory
- Combines discussion about everyday uses of the term 'place' with the more complex theoretical debates that have grown up around it
- Uses familiar stories drawn from the news, popular culture, and everyday life as a way to explain abstract ideas and debates
- Traces the development of the concept from the 1950s through its subsequent appropriation by cultural geographers, and the linking of place to politics

Brian Nelson:

Your reading 6th sense will not betray you, why because this Place: An Introduction e-book written by well-known writer who knows well how to make book which can be understand by anyone who all read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still uncertainty Place: An Introduction as good book but not only by the cover but also by content. This is one reserve that can break don't evaluate book by its deal with, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to a different sixth sense.

Johnny Abel:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Place: An Introduction can make you feel more interested to read.
