Part exposé, part x-rated travel guide -- the ultimate insider's look at America's adult playground

Vegas. It's a place where Midwestern couples become uninhibited swingers, where shy schoolgirls morph into sexy strippers pulling in \$1,000 a night, and where randy tourists come to score at more than just blackjack and craps. What happens here, stays here -- and Vegas nightlife is hotter than it's ever been before.

In *Skin City*, journalist and longtime Vegas resident Jack Sheehan goes beyond the bright lights to explore the dark thrills of the city's sex industry. Both lurid and fascinating, here is an unabashed look at the stripping, swinging, hustling, and hooking that have turned a desert gaming metropolis into the world's capital of lascivious entertainment. But more than a no-holds-barred exposé, Sheehan's *Skin City* offers a connoisseur's catalogue of where to go for readers whose tastes run to the erotic -- with everything from valuable pointers from lap dancers, call girls, and vice cops to porn star Jenna Jameson's list of her favorite Vegas strip clubs.
