The Guardian's Wildchild Feather Stone

Caught in a reckless attempt to stop Dark forces, Sidney Davenport, a young, rule breaking, spirited member of the secret paranormal community of Guardians, finds herself imprisoned on a naval ship and slated for execution. Her struggle with the unfamiliar emotions of fear and anger becomes even more complicated when she can no longer fight her attraction to the very man who has orders to perform her execution. Captain Sam Waterhouse, a meticulous naval captain who's suspected of treason, teeters on a precipice between Darkness and Light. When he receives an unusual prisoner, a paranormal journey begins to unravel his disciplined life. All the while, humanity is unknowingly at great risk when two Dark forces team up to acquire control of an elusive power. Sidney and Sam attempt to quiet their powerful feelings for each other, only to discover they can save each other, and in doing so, they might even save the world. Through stunning imagery, an intricate and adventurous plot, and a strong cast of characters, Feather Stone gives readers a fascinating glimpse into the future-a future that is chilling, yet full of hope.
