Together you have cried, laughed, shopped, dined, shared secrets, and shopped some more. She drives you crazy sometimes, but only because she reminds you of yourself. You wouldn't change a thing about her. More than just mother and daughter, now you are friends.

From the authors of *The Two of Us: A Book About Friendship*, and *The Two of Us: A Book About Dogs and Their Owners*, this warm, humorous gift book marries touching illustrations and candid observations to illustrate the unique bond between mothers and daughters.

The Two of Us says all the things you have wanted to say to the woman who has been such an important part of your life. The two of us . . . share so much in common: genes (and maybe jeans), a certain expression, a way of doing things, family memories. The two of us...may not always see eye to eye, but we can always speak heart to heart. Mothers and daughters will smile in recognition at the funny, honest sentiments, secrets, confessions, and tender moments captured in this heartwarming gift book.
