## **Caryl Churchill's Top Girls (Modern Theatre Guides)** Alicia Tycer

Caryl Churchill is widely considered to be one of the most innovative playwrights to have emerged in post-war British theatre. Identified as a socialist feminist writer, she is one of the few British women playwrights to have been incorporated into the dramatic canon. *Top Girls* is one of Churchill's most well known and often studied works, using an all female cast to critique bourgeois feminism during the Thatcher era.
