For students of all years who want to make the most of their time in medical school and successfully pass OSCE and written exams, How to Master Your Medical School Finals is the ultimate study aid, providing the insider knowledge needed to gain extra marks and improve performance.

Combining practical and academic advice to help you cope with the demands of study, hospital rounds and exam revision it will help you turn a fail into a pass, and a pass into a distinction. Along with an online tool specifically designed to help you memorize facts, it will teach you how to deliver a distinction level answer during OSCEs, short answer papers and vivas, identify trends in past papers and organize your revision to mirror the distribution of key topics, analyse your own learning style and adopt new learning techniques, revise faster and more effectively using ethics and law essay plans and optimise your time on the wards and on specialty attachments

Including a sample curriculum - a unique tool that shows you which subjects require in depth, moderate or superficial knowledge - How to Master Your Medical School Finals is the definitive resource for students who want to effectively navigate their way through medical school and increase their chances of finals success.
