**Tales from Lovecraft Middle School #1: Professor Gargoyle** Charles Gilman

“Two-headed monsters, giant tentacles, angry demons – *Lovecraft Middle School* is great creepy fun!”

–Ransom Riggs, author of *Miss Peregrine's Home for Peculiar Children*

Strange things are happening at Lovecraft Middle School. Rats are leaping from lockers. Students are disappearing. The school library is a labyrinth of secret corridors. And the science teacher is acting very peculiar – in fact, he just might be a monster-in-disguise. Twelve-year-old Robert Arthur knew that seventh grade was going to be weird, but this is ridiculous!

*Professor Gargoyle* (Volume I in the *Tales from Lovecraft Middle School* series) is full of bizarre beasts, strange mysteries, and nonstop adventure. It's perfect for readers ages 10 and up. Best of all, the cover features a state-of-the-art “morphing” photo portrait – so you can personally witness the professor transforming into a monster. You won't believe your eyes!

“Gilman's debut and series kick-off is great fun for fans of light horror. The changing image on the cover will snag interest, and the spookily realistic black-and-white illustrations throughout complete this slick, scary, funny package. [There are] delectable hints of age-appropriate, Lovecraftian Otherness...with none of the purple prose.” –Kirkus Reviews

*From the Hardcover edition.*
