Clarice Lispector

Aprendizaje o el libro de los placeres (Biblioteca Clarice Lispector) (Spanish Edition) Clarice Lispector
Aprendizaje o El libro de los placeres, publicado por primera vez en 1969, despertó la polémica entre los críticos, que aún hoy debaten sus posibles interpretaciones. Este es el relato de cómo el amor se forja en dos seres: a través de un arduo desnudamiento interno los protagonistas van recuperando su identidad hasta alcanzar la renovación vital en la mutua entrega. A su ejercicio introspectivo opone la autora su propia búsqueda formal, el intento de superar los límites del estilo amalgamando forma y fondo en una prosa rebotante de imágenes que desarmen al lector con su verdad hiriente. Su lectura ofrece a quien la emprende el desafío de seguir paso a paso ese ahondamiento, ese despojarse de todos los bagajes para iniciar un definitivo aprendizaje de la existencia.
