Christina Henry

**Black Night (A Black Wings Novel Book 2)** Christina Henry

*Madeline Black is an Agent of death, meaning she escorts the souls of people who have died to the afterlife. Of course, not everyone is happy to see her...*

If obstinate dead people were all that Maddy had to worry about, life would be much easier. But the best-laid plans of Agents and fallen angels often go awry. Deaths are occurring contrary to the natural order, Maddy's being stalked by foes inside and outside of her family, and her two loves-her bodyguard, Gabriel, and her doughnut-loving gargoyle, Beezle-have disappeared. But because Maddy is Lucifer's granddaughter, things are expected of her, things like delicate diplomatic missions to other realms.
