*Mature Content - Suitable for New Adult+

WHEN TWO WORLDS COLLIDE. CAN ANYONE SURVIVE?

Elle Rothschild is on a weekend camping trip to nurse her broken heart, unaware that her life is about to drastically change forever.

The earth is being invaded by an alien nation with evil intent, and the ability to control the minds and bodies of every human they encounter - with the exception of Elle.

Pierce, a lead alien warrior, has taken Elle hostage, but didn't expect to find that not only is she able to resist his possession of her mind -- but she has the uncanny ability to get deep within his.

As Elle desperately tries to convince Pierce that her kind are worth saving, a riveting journey ensues with characters that will captivate your heart and soul. An unforgettable story of the power of the human spirit to survive in the midst of formidable darkness.

Book 2, ILLUSION:

Sex with an ALIEN doesn't equal love... or does it?

Elle Rothschild's world has been turned upside down - first by a cheating fiancé and now by a world controlled by hostile aliens. The lines between sex and love, what's real and what's imposed become blurred by her torn loyalty between Pierce, an alien warrior gone rogue, and her people.

To make matters worse, the leader of the remaining humans is suspicious of them both. If humans are to survive they must pull together if there is any hoping of saving their planet - but even if they do will it be enough?

She's growing up fast, but what if Elle has to choose between her world and theirs?

An unforgettable journey of one young adult woman as she grapples against a powerful force, and the desires that draw her ever closer to the enemy.

Book 3, EXPOSED:

In her wildest dreams, Elle Rothschild could never have expected that another species, an alien species, had

been watching the Earth struggle for decades.

Nor could she have known the aliens would swoop in to exact their discipline for the unruly behavior of human-kind, without warning, without opportunity for remorse.

But that's exactly what happened.

Now Elle together with some of the most unlikely companions, must find a way to stop the kidnapping of the remaining human children, protect the few who remain, and and defeat a host of aliens who are superior in strength, and intellect.

The humans have something that the Aliens don't, but will that be enough?

Book 4, SURRENDER:

Elle continues her battle against an Alien force that is equally determined to defeat her, and the entire human race, except for the remaining children...

As the Aliens continue harvesting children, they believe it will dishearten the renegade humans, and undermine their hope of survival...

What they don't know, and can't understand, is the power of a small band of unlikely rebels drawn together by circumstance and the power of love.

But will it be enough? Or will the choices Elle faces haunt her forever?
