## **Different Dreams** Tory Cates

In the second book in a new Western romance series by Rita Award nominee Tory Cates, a woman struggles to keep the ranch she's worked so hard for—against a man who melts her heart.

Malou Sanders has always felt most comfortable in the world of animals and chosen their company over that of men. So when land developer Cameron Landell threatens to sell the Texas ranch where she keeps the troop of Japanese monkeys she's studying, Malou decides to fight to save the animals. Then Malou confronts Cameron under the sweltering desert sun, and from the moment she looks into his thickly lashed dark eyes, her resolve melts. Soon her hopes for professional acclaim are replaced by a different dream. But one lingering doubt is still keeping Malou from Cameron's arms...and her dreams from coming true.
