## **Fallen** David Maine

From the internationally acclaimed author of *The Preservationist* comes a provocative retelling of the story of Eve and Adam, Abel and Cain---a novel of temptation and murder, of exile and loss.

Once expelled from the Garden, Eve and Adam have to find their way past recriminations and bitterness to construct a new life together in a harsh land. But the challenges are many for the world's first family. Among their children are Cain and Abel, and soon the adults must discover how to be parents to one son who is everything they could hope for and another who is sullen, difficult, and rife with insecurities and jealousies. In the background, always, is the incomprehensibility of God's motives as He watches over their faltering attempts to build a life. In *Fallen*, David Maine has drawn a convincing, wryly observant, and enthralling portrait of a family---one driven (and riven) by passions, jealousies, irrationality, and love. The result is an intimate, in-depth story of brothers, a husband, and a wife---people whose struggles are both completely familiar and yet utterly original.
