**In the beginning, God created Adam. Then he made Eve.**

**And ever since we've been picking up the pieces.**

*Loveology* is a theology of love from God's point of view.

The five sessions start with God's design for marriage and works backward, dealing with sexuality, romance, singleness, and what it means to be male and female. Pastor and writer John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world.

The *Loveology* video-based Bible study is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who want to ask the *why* questions and get intelligent, grace-and-truth answers.

As you walk through this five-week study, you will come to better understand what God fully intended back in the garden. By comprehending the brilliance behind God's original plan for love and marriage and sex and romance—if we can redefine that fuzzy, amorphous, confusing word “love” and look at it through the lens of Jesus—your marriages and relationships will be radically altered as a result.

This study guide is designed for use with *Loveology: A DVD Study* (sold separately) and contains video notes, individual or group reflection questions, and between session personal applications to enhance your journey through the video study.

Sessions include:

1. Love
2. Marriage
3. Sex
4. Romance
5. Singleness
