**Mobbed Up: Jackie Presser's High-Wire Life in the Teamsters, the Mafia, and the FBI** James Neff  
**The spellbinding saga of Teamster boss Jackie Presser's rise and fall**

In his rise from car thief to president of America's largest labor union, Jackie Presser used every ounce of his street smarts and rough-edged charisma to get ahead. He also had a lot of help along the way—not just from his father, Bill Presser, a Teamster power broker and thrice-convicted labor racketeer, but also from the Mob and the FBI. At the same time that he was taking orders from the Cleveland Mafia and New York crime boss Fat Tony Salerno, Presser was serving as the FBI's top informant on organized crime.

Meticulously researched and dramatically told, *Mobbed Up* is the story of Presser's precarious balancing act with the Teamsters, the Mafia, and the Justice Department. Drawing on thousands of pages of classified files, James Neff follows the trail of greed, corruption, and hubris all the way to the Nixon and Reagan White Houses, where Bill and Jackie Presser were treated as valued friends. Winner of an Investigative Reporters & Editors Award for best reporting on organized crime, it is a tale too astonishing to be made up—and too troubling to be ignored.
