## **Restoring America to the Strength of its Roots**

The United States became a unique, prosperous, and admired nation because of its faith in God and the willingness of the people to abide by God's standards and principles. Over time, however, the people's urge to glorify self rather than God has seriously eroded the strength and potential of the nation.

*U-Turn* examines current cultural trends and historical patterns to reveal that America cannot sustain its strength if it remains on its current path. Combining current research with the authors' trademark insight and analysis, the book gives readers a unique view of the moral and spiritual condition of Americans and provides specific insights into how we can turn our nation around by focusing on:

- The restoration of the family
- The restoration of the Christian Church
- The future activity of our government
