Martínez, un joven argentino, decide emprender un viaje por Alemania para intentar localizar a un viejo profesor de filosofía -cercano al círculo de Heidegger- y discutir con él la traducción al español de uno de sus libros. Sin embargo, lo que en un principio iba a ser una simple visita deriva en una persecución por toda Alemania, un juego de espejos, laberintos, falsas pistas y equívocos a través de los cuales perseguidor y perseguido acaban desvelando su identidad.

«Una obra maestra.»

FÉLIX DE AZÚA, *El País*
