El río morisco (Spanish Edition) Bernard Vincent

El problema principal, por no decir el único, que se plantea en este libro es el de la convivencia entre grupos de diferentes culturas. El autor expresa lo que le separa de Villanueva, de Juan Goytisolo y de la postura de Francisco Márquez, investigadores que comparten su punto de vista. Con todo el respeto hacia su inmensa obra y hacia su pensamiento generoso, Bernard Vincent afirma que el voluntarismo de estos autores falta a la realidad. Quieren pensar que la medida de la expulsión de los moriscos de España en 1609 estaba en total contradicción con los deseos de la sociedad de la época, tanto cristiana vieja como morisca, lo que les lleva a la tesis poco convincente de un diktat de una minoría de individuos, encabezados por el duque de Lerma.
