Enemy Within (Chief Inspector Woodend Mysteries) Sally Spencer

There had never been a murder in Whitebridge like this one. What kind of man would slash the throat of an inoffensive middle-aged widow who was already terminally ill? Why did he decide to place her lifeless body in the middle of a children's bonfire?

It is the most difficult and complex case in Woodend's career, but the two people he most relies on - DI Rutter and DS Paniatowski - are being torn apart by their personal problems.

As he struggles on, almost single-handedly, Woodend comes to the reluctant conclusion that he is being forced to participate in the killer's game without even knowing the rules. Yet one thing, at least, is plain from the beginning. For the game to continue, there must be more deaths...!"A solid, riveting British procedural"|"Spencer's careful balance of menace from without and within makes her latest a standout among her reliably entertaining procedurals? Starred Review
