Ghosts of the McBride House: A True Haunting Cecilia Back

What is it about the McBride House that serves as a beacon to the dead? Built in the oldest town in Oklahoma by physician George McBride in 1895, this Victorian home is rife with ghosts from the past. Ghostly parties at 2:00 a.m., spirits calling family members and houseguests by name, dolls that talk even after the batteries have been removed...The Back family has been subjected to impossibly bright lights, loud crashing noises, weird shrieks?even ominous odors such as decaying matter.

Each ghost in the McBride House has a personality of its own, including one entity whose antics are downright terrifying. But instead of fleeing, the Back family remained and gradually got to know their "spirted" residents.

This is their story.
